

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Historical and Linguistic Studies in Literature Related to the New Testament

THE BIXBY GOSPELS

By EDGAR JOHNSON GOODSPEED, Professor
of Biblical and Patristic Greek in the
University of Chicago

This publication consists of a complete collation of
the text of the manuscript and presents as its most
curious feature five pages of chronological material,
mostly from the work of Hippolytus of Thebes, about
700 A.D. Two plates, 34 pages, royal 8vo, paper.

Other Texts by the Same Author

THE FREER GOSPELS

One plate, 66 pages, royal 8vo.

THE TORONTO GOSPELS

One plate, 22 pages, royal 8vo.

THE NEWBERRY GOSPELS

One plate, 30 pages, royal 8vo.

These four important Greek texts may now
be had for *one dollar*, postage extra (weight
1 lb. 3 oz.).

Esterbrook Oval Point No. 788

Completeness!

Esterbrook Pens offer as many
shapes and points as all other
American makes put together. This No.
788 Oval Point is one of the twelve most
popular ones. Note the smooth, oval
(or ball) shaped surface at the point of
contact. No sharp edges to scratch
or pick even the roughest paper.
Heavy steel adds durability.

Send 10 cents for useful metal
box containing this and eleven
other pens including the fa-
mous 048 Falcon.
